

BUSINESS DIVERSITY TRAINING

Is your business looking for diversity training? The Affirmative Care Academy can help you create educational opportunities for your organization!

The Affirmative Care Academy specializes in diversity, equity, and inclusion policy trainings and programming with a particular focus on LGBTQ+ issues.

Here are some examples of ways we can help your organization meet your equity, diversity, and inclusion goals:

- Quarterly or biannual staff training**
- Strategic business planning and policy review**
- New employee training and onboarding**
- Leadership training and coaching**
- Building employee engagement opportunities**

Specific examples of content include:

- LGBTQ+ Communities and Identities 101**
- Appropriate Intercultural Workplace Behavior**
- Unconscious and Implicit Bias Training**
- Creating an Anti-Racist Work Place**

If you would like more information about how the Affirmative Care Academy can work to help your organization, please contact our Education Coordinator at jess@clintonvillecounselor.com
